GROUP 1700

In response to the Office Action of December 2, 2002,
please amend the above-identified application as follows.

IN THE CLAIMS:

Please cancel claim 33 without prejudice or disclaimer,
rewrite claims 1, 3-16, and add new claim 62 as follows:

1. (Amended) A resin cushion article having a spring structure, comprising a three-dimensional structure with voids and a predetermined bulk density, said three-dimensional structure being formed by contacting, entwining, and gathering adjacent ones of random loops or curls of solid and/or hollow continuous filaments and/or short filaments made from a mixture of a polyolefin resin and vinyl acetate resin, ethylene vinyl acetate copolymer or styrene butadiene styrene, wherein said three-dimensional structure is increased in bulk density across its width at predetermined intervals in a direction of its length and wherein said article has a uniform thickness.

Handwritten mark:
A large, stylized handwritten mark, possibly a signature or initials, located on the left margin.
